The last I & A was filed 02/18/15 and valued the property at \$215,000.00. The property was listed for sale by the previous PA staff and a Notice of Proposed Action was prepared on 03/04/15 indicating that an all cash offer of \$215,000.00 was received from the decedent's son, Steve Wright and his wife, Teresa M. Wallen. It is unclear what negotiations have occurred since then, but the Public Administrator believes Mr. Wright has had difficulty obtaining a loan. On 07/06/15, an extension of time was signed giving them until 12/31/15 to complete the sale. The Public Administrator believes that Mr. Wright has been paying the mortgage payments and property taxes on the property. Deputy Scott Stacey placed a call to Mr. Wright in an attempt to determine whether he will be proceeding with the purchase of the property. Mr. Wright was not available and a message was left. If Mr. Wright and his wife cannot complete the purchase, they will either have to vacate the property so it can be sold or they will have to make the property available for listing and showing for sale while continuing to make the mortgage payments and paying the property taxes. It is requested that the next status hearing be set no sooner than 4 months from the date of this hearing.

Notice of Hrg	Status Conference Statement filed 9/10/15 states the estate consists of a 50% undivided interest in real property valued at \$585,750. The executor and other owner have agreed to sell the property. The real property owned by Decedent was obtained by inheritance along with his brother and sister.	
Aff.Mail	Decedent initiated a Quiet Title action to resolve title issues. The brother predeceased the decedent and as a result, title to said real property is held as tenants in common between the decedent and his sister, Cindy Gill. Petitioner states she has worked with her aunt and agreed to sell the property. Cindy Gill has used her own funds to clean up the property and get it ready for sale. CI Report	During the course of administration, it came to Executor's attention that the decedent and his siblings executed an agreement for release and transfer of prescriptive easement rights. Essentially, the Doolittle family had obtained an easement over 5253 Enterprise property by Judgment in the Fresno County Superior Court in 1996. A release of the easement was obtained after payment of \$250,000 was made to the Doolittle family. However, the agreement also included terms that should 5253 Enterprise ever purchase the property, the \$250,000 would be deducted from the sale price. There was no first right of refusal provided to 5253 Enterprises, and the Doolittle family was free to sell the property whenever and to whomever they desired.

The above information was taken into consideration when determining the initial asking price, which was set at \$1,300,000 for the entire parcel, or \$650,000 for the estate share. Basically, the amount was determined by taking 90% of the date of death value plus \$250,000 to cover provisions in the agreement described above.

Executor and Cindy Gill believed \$1,000,000-1,200,000 was an obtainable goal. New information and market conditions led us to believe this price is now too high.

There have been three offers to date. Counter offers on all three were made for slightly over \$1,000,000 based on a 10% reduction from the date of death appraised value. None was accepted.

It has now come to Executor's attention that developers are concerned with potential development restrictions imposed because of Dog Creek and Gould Canal that may hinder the number of potential development sites on the property. The Army Corps of Engineers and Fresno County Flood Control District have been contacted to assist in analysis of these restrictions.

Ms. Laura Mather of London Properties has now been engaged to assist in the sale. Both owners are encouraged by her efforts and are hopeful that she will lead to a successful conclusion of the matter. Attorney Hemb plans to have Ms. Mather attend the hearing on 9/14 to provide an opportunity to the Court to raise any questions it may have regarding current market conditions.

Executor is doing everything possible to sell the decedent's interest in the property. As sole beneficiary, Executor has no reason to delay administration. It is her goal to bring this matter to a successful conclusion as soon as possible.

Petitioner states she and Jeffrey Charles Lester established the trust on 12/17/11. Jeffrey Charles Lester died 12/18/11, survived by his spouse (Petitioner) and four children.

The decedent's will leaves the residue of his estate to the trust, which includes his interest in certain real property located at 12800 E. Herndon Ave., in Clovis as well as 51 S. Locan Ave., in Fresno. See attached deeds.

Petitioner hereby requests instruction that the decedent's interest in the real property held in his name at the time of his death constitutes an asset of the trust. Based on the language of the trust, the decedent intended all of his interest in the properties referenced herein to be treated as an asset of the trust. This instruction is necessary to execution of Petitioner's fiduciary duties as trustee because the property was never formally transferred by the decedent to the trust. See Points and Authorities, including *Estate of Heggstad*.

Petitioner prays for an order:

- Instructing Petitioner that the decedent's interest in the real properties described in the petition is an asset of the trust and vested in Petitioner as trustee of the trust; and
- Issuing such other and further orders as the Court deems proper.

SEE PAGE 2**Reviewed by:** skc**Reviewed on:** 12/9/15**Updates:****Recommendation:****File 24 - Lester**

Declaration of Tyler H. Lester states he is the nephew of Jeffrey Charles Lester, and counsel of record for Petitioner. His uncle was diagnosed with late stage terminal cancer in or about November 2011. On or about 12/15/11, he was contacted by his uncle to make plans to get his affairs in order. He stated he wanted his estate to pass to his wife and wanted to avoid probate. On 12/17/15, he and his uncle's accountant went to his house. He drafted a will at the instructions of his uncle and with the accountant's help. Documents were signed the day before he passed away. All of his children are aware of Tyler H. Lester's involvement and their father's wishes. None are contesting the transfer to Mrs. Lester and all support these efforts. Notice has been sent to their permanent address, as one is away at college and the other lives in Fresno. The properties were not able to be transferred to the trust given the short time frame. See attached trust, will, deeds.
